TERM 2 *Week 3*

Monday 11th May 2020

NEWSLETTER

From the Principal's Desk

Welcome to week 3.

We are so excited to start the staggered return for students this week. **We have missed seeing everyone** and we are looking forward to seeing everyone on their allocated day. Please keep children at home if they are feeling unwell.

I'd like to remind parents and carers when **dropping off students and picking them up to please wait outside the school gates** (following social distancing guidelines) as we are trying to reduce the number of people on the school grounds. Organise with children to meet you at a designated gate (Dumaresq Street or the Walkers gate near the crossing on Park Street) or use the drop off zone and wait in your car.

This week students will be taking home their Week 4 learning packs and if requested thumb drives with explicit teaching videos (these are also on Google Classrooms). **Please ensure that students are bringing all work from Week 1 and 2 as well as this week's work** so teachers can keep completed work for marking. PLEASE also send in incomplete work so teachers can see areas that may need to be revised with students. It is important that students are completing home learning when at home. **Please return borrowed thumb drives** so new lessons can be saved onto them.

LIBRARY – Students can bring in their library books on their allocated day and Mrs Grimshaw will be available to change books. Any students needing Reading Challenge books are also encouraged to bring them in and swap them.

Zoom Meetings – thank you to those parents who persevered with zoom meetings last week. The teachers loved seeing everyone. It is important that you log into meetings via students portals as the Department of Education has extra security measures to keep everyone safe when using Zoom. If you are having difficulties please email teachers or ring the office and we will strive to offer assistance. We did share a video tutorial on our Facebook page which might also be helpful.

Phase One Roster System – Week 4

Students will continue to attend school one day in **Week 4, the same as this week**. Students will be working from their home learning packs, so PLEASE make sure they bring their packs in on their allocated day.

Monday	Tuesday	Wednesday	Thursday	Friday

Students who are children of essential workers are to come the days when their parents are working.

Thank you for your continued support, we will get through this together.

Stay safe.
