Our meetings will be via phone calls to follow Department Guidelines in place at the moment. Thank you to all of the parents who have made interview times. If you haven't yet made a time, please ring the front office and we will organise a time.

Week 4 PRIMARY ASSEMBLY

TERM 3 REMINDERS:

PLEASE make sure students bring a water bottle every day.

Please do not send students who are unwell to school. If students are sick for 3 days they need to return with a medical certificate for absent days.

Please drop students off and pick them up outside the school

gates. Remember to social distance yourselves while waiting. We are asking that staff and students are the **ONLY** people on the school grounds at this time. If you need to speak to your child's classroom teacher, please ring the front office and we will organise this for you.

Attention 6A Parents

This term I will be uploading all our maths lessons onto our google classroom. If your child would like to revise a concept it is there for them to access.

Thanks

Nikki Fealy

As of TODAY, Monday 17th August, there are some changes that parents/ care givers need to be aware of are:

- If a student has been absent due to flu like illness or develops flu like symptoms while at school, they are not to return to school until they have a negative COVID-19 test and are symptom free. The negative COVID-19 test result must be sighted and received by the school before the student can return.

- For the remainder of term 3 all singing groups as well as the use of wind instruments in group settings are not permitted.

Three actions you can take to help manage the spread of COVID-19:

1. **Wash your hands** regularly and thoroughly.

2. **Sneeze into your elbow** or a tissue, disposing of the tissue straight away and then washing your hands.

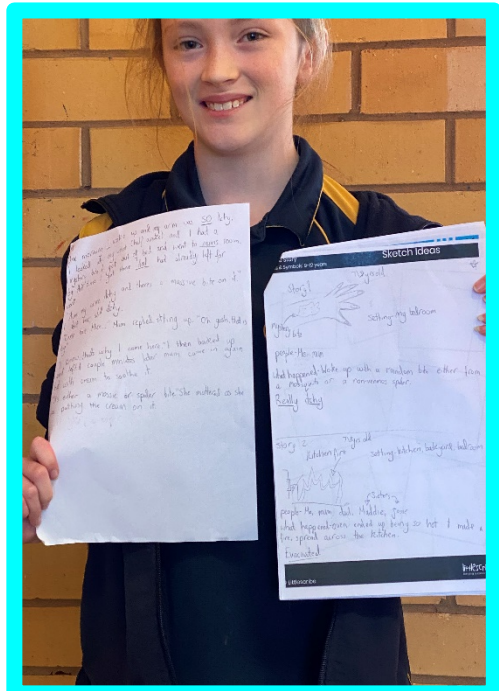

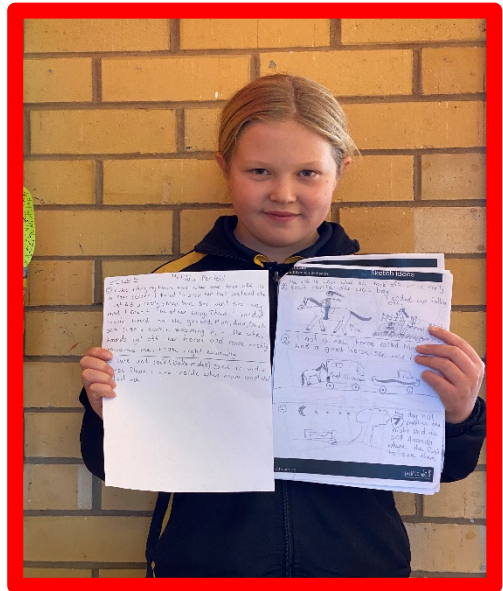

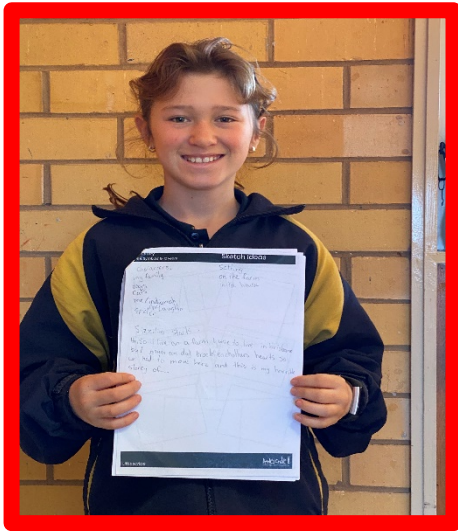

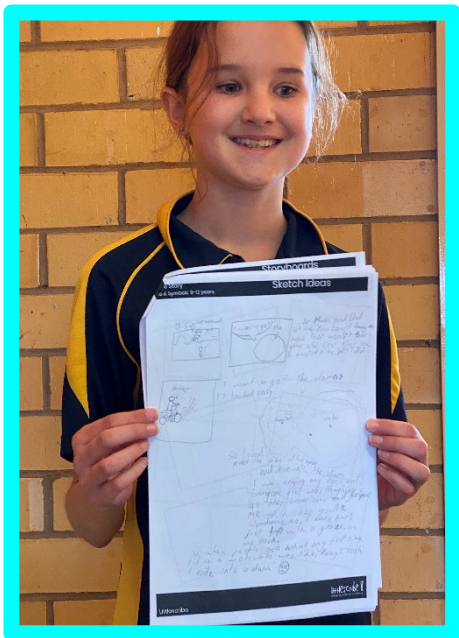

3. **Stay home if you are unwell** we will send home staff or students who show signs of being unwell through the day.

Week 5 Library NEWS

There is only **8 days** left for Year 3, 4, 5 and 6 students to complete the 2020 NSW Premier's Reading Challenge. Students are able to read 10 personal choice books and 10 books off the Premier's Reading Challenge booklist to complete their reading challenge log. Keep up the great reading!

5 Red have started planning our "Little scribe" books with the help of some amazing Australian authors. We can't wait to share this with our friends and families.
