From the Principal's Desk

THANK YOU!

Welcome to Week 7

Last week was 'SASS Recognition Week' and I would like to take this opportunity to **thank our amazing SAS Staff** for all they do for our school. Our Office Ladies, School Learning Support Staff and our General Assistant all provide comprehensive support in our school. This year they have all been flexible and have adapted to the many changing scenarios and pandemic restrictions, highlighting the vital role they play in keeping our schools running efficiently every day. Again **THANK YOU!!!**

Last week saw the last class parent meetings. Thank you for taking time to have phone meetings with your child's teachers. From all reports, teachers were grateful to have a check in around Semester 2 Learning Goals. If you missed having a phone meeting with your child's teacher, please ring the front office and we can arrange a time for you.

Teachers are back participating in Professional Learning opportunities. These look different, as they are via zoom and there are often teachers from all over NSW. We are also starting our Quality Teaching Rounds this week, which we had to put on hold from Term 1. These are a valuable opportunity for teachers to use set criteria and have peer feedback about lessons taught.

Have a great week!

TERM 3 REMINDERS:

PLEASE make sure students bring a water bottle every day.

Please do not send students who are unwell to school. If students are sick for 3 days they need to return with a medical certificate for absent days.

Please drop students off and pick them up outside the school gates. Remember to social distance yourselves while waiting. We are asking that staff and students are the ONLY people on the school grounds at this time. If you need to speak to your child's classroom teacher, please ring the front office and we will organise this for you.

Three actions you can take to help manage the spread of COVID-19:

1. **Wash your hands** regularly and thoroughly.
2. **Sneeze into your elbow** or a tissue, disposing of the tissue straight away and then washing your hands.
3. **Stay home if you are unwell** we will send home staff or students who show signs of being unwell through the day.

On Thursday morning we will run our final test -

Mathematics with Miss Nutt.

Our test will commence after students have roll call in their rooms and then make their way to the library.

Changes that parents/ care givers need to be aware of are:

- If a student has been absent due to flu like illness or develops flu like symptoms while at school, they are not to return to school until they have a negative COVID-19 test and are symptom free. The negative COVID-19 test result must be sighted and received by the school before the student returns to school.
