### *From the Principal's Desk*

Welcome to Week 9. Yesterday was Harmony Day and this year's theme is "Everyone Belongs." Harmony Day celebrates Australia's cultural diversity and is about inclusiveness, respect and a sense of belonging for everyone. This Friday, all students will take part in Harmony Day activities as well as complete the pledge ceremony. On Wednesday students will also attend a performance at the school called Mr Huff. The show is about being resilient and having a positive outlook on life, using musical theatre to explore emotions and understand feelings.

The next two weeks will be very eventful with assemblies, cricket, netball, cross-country and the Easter Hat Parade. The staff are also taking part in planning days, reviewing student's assessments and progress, using this information to plan for next term. The Intensive Covid Learning program has been going very well and teachers have observed many students moving quickly through reading and sight word levels.

Last Friday, I was able to spend some time with students in interest groups. The choir brought tears to my eyes singing "You are My Sunshine". The boys making the didgeridoos were going really well playing them in between coats of varnish and the dance group were smiling and enjoying having all their moves nearly almost memorised.

All the best for a nice week ahead.

### MUSIC OPPORTUNITY

Mrs Charpentier has a small number of clarinets available at school for highly motivated and committed students who show enthusiasm in music classes and wish to extend and challenge themselves. Preference will be given to primary students and those who have participated in optional music ensembles. Students will be selected if they meet these criteria and after consultation with the student and their parents.

They will be required to have somewhere to practice at home daily and need to have the full support of family members. If your child is interested in this opportunity please send your child with a note expressing interest. Beginner group lessons will begin in Term 2

### WEEK 9 LIBRARY NEWS

Kindergarten, Year 1 and Year 2 have finished borrowing school library books for Term 1 and need to return their books by **this Friday 26<sup>th</sup> March 2021**. Years 3, 4, 5 and 6 will continue to borrow books until the end of this term so they can continue participating in the New South Wales Premier's Reading Challenge.
