Suggested Options for BYOD Laptops for 2023

These laptops are similar models to the ones used in our classrooms. Please contact the school if you have further queries regarding system requirements. Prices given below are correct at 22/10/22 and are subject to change.

Ordering directly from the brand (eg HP, Acer, Lenovo) may mean that there is a broader range of options in your price range, however Officeworks is a great retailer as you can compare each brand directly.
